PERSONAL DATA ON PRINCIPAL INVESTIGATOR

Health Effects Institute has a continuing commitment to monitoring the operation of its review and award processes to detect—and deal appropriately with—any instances of real or apparent inequities with respect to age, sex, race, or ethnicity of the proposed principal investigator/program director.

To provide HEI with the information it needs for this important task, please complete the form below and attach it to the signed original of the application. Do not attach copies of this form to the duplicated copies of the application.

Upon receipt and assignment of this application by HEI, this form will be separated from the application. This form will not be duplicated, and it will not be a part of the review process. Data will be confidential. All analyses conducted on the data will report aggregate statistical findings only and will not identify individuals.

If you decline to provide this information, it will in no way affect consideration of your application.

Your cooperation will be appreciated.
