

# HEI Research Committee

- **Mark Utell, Chair**  
*University of Rochester*
- **Kenneth Demerjian**  
*University at Albany - State  
University of New York*
- **Joe Garcia**  
*University of Chicago*
- **Uwe Heinrich**  
*Fraunhofer Institute*
- **Grace LeMasters**  
*University of Cincinnati*
- **Sylvia Richardson**  
*Imperial College London*
- **Howard Rockette**  
*University of Pittsburgh*
- **James Swenberg**  
*University of North Carolina*
- **Ira Tager**  
*University of California, Berkeley*

# HEI Review Committee

- **Homer Boushey, Chair**  
*University of California, San Francisco*
- **Ben Armstrong**  
*London School of Hygiene and Tropical Medicine*
- **Michael Brauer**  
*University of British Columbia*
- **Bert Brunekreef**  
*University of Utrecht*
- **Alan Buckpitt**  
*University of California, Davis*
- **John Hoidal**  
*University of Utah School of Medicine*
- **Stephanie London**  
*National Institute of Environmental Health Sciences*
- **William Rom**  
*New York University Medical Center*
- **Armistead Russell**  
*Georgia Institute of Technology*

# Progress at HEI

- **Walter A. Rosenblith New Investigator Award: 2008 Recipients**
  - *Annemoon van Erp, Thomas Barker, JC Chen*
- **Advanced Collaborative Emissions Study**
  - Phase 1 Results: Comprehensive emissions characterization of 2007-compliant heavy-duty diesel engines *Chris Tennant*
  - Phase 3 Chronic Bioassay: Initial emissions characterization for animal exposures *Joe Mauderly*
- **Congestion Charging Scheme in London: Assessing Its Impact on Air Quality**
  - Research Findings *Frank Kelly*
  - HEI Review Committee's Comments *Ted Russell*
