Virtual Workshop on Air Pollution and Health in Southeast Europe

June 8-9, 2021

Before we begin

All attendees are muted (view-only) for the duration of the webinar.

There will be a Q&A period after each session. Please submit questions via the Q&A function at any time during the webinar. You can also “upvote” questions in the Q&A.

If you experience any logistical difficulties, please contact us using the “Chat” box.

Webinar slides and video will be available in the coming weeks. Please check HEI website for details: <https://www.healtheffects.org>

If you plan to post about the workshop on social media, please use #SEEAQ2021.
