Webinar 1
Global and regional evidence on health effects of air pollution: case of Southeast Europe

October 1, 2021
Before we begin

All attendees are muted (view-only) for the duration of the webinar.

There will be a Q&A period after each session. Please submit questions via the Q&A function at any time during the webinar. You can also “upvote” questions in the Q&A.

If you experience any logistical difficulties, please contact us using the “Chat” box.

Webinar slides and video will be available in the coming weeks. Please check HEI website for details: https://www.healtheffects.org

If you plan to post about the webinars on social media, please use #SEEAQ2021.

Thank you for completing the post-workshop survey that will be emailed to you tomorrow.
